

Panther Avionics Packages by

GRT AVIONICS

Proudly serving the Experimental aviation community since 1991

GRT Sport SX EFIS System

- Featured in the Panther prototype
- The most features of any glass-cockpit EFIS in its price range!
- Aerobatic flight instruments
- Moving map with free U.S. nav database & A/FD data for life
- Internal GPS included
- Optional Synthetic Vision
- 2-axis autopilot software included

Grand Rapids EIS Electronic Engine Monitor

- Monitor all engine parameters, all the time
- Probe packages available for Corvair, Jabiru, Lycoming, UL Power, and more
- Over 23,000 units flying worldwide!
- Full-color graphic display when paired with a GRT Sport or Horizon EFIS

Available directly from Sport Performance Aviation!

Recommended GRT Panther Packages

Sport EFIS Package Pricing		Retail Price
S200SX6	6.5" Display Unit with Upgraded CPU, Internal AHRS & GPS, all wiring harnesses	\$2,600
S200SX8	8.4" Display Unit with Upgraded CPU, Internal AHRS & GPS, all wiring harnesses	\$2,800
SX-OPT-SYN	Synthetic Vision software	\$400
SX-OPT-GPSV	Vertical Commands Autopilot software- OSH '14 SHOW SPECIAL (normally \$400)	FREE*

AP-SERVO-PITCH-B	Autopilot Pitch Servo-Standard Torque	\$900

Looking for a smaller or more economical EFIS display? Check out the new GRT MINI for under \$1,400! Visit www.grtavionics.com/mini.html or stop by our booth in Hangar C, 3068-3069...

EIS Package Pricing for Recommended Panther Engines		Price Alone	Price with EFIS
Corvair	Corvair, Basic 6-cylinder (6 CHT, 6 EGT, Oil T, Oil P, Fuel P)	\$1,140	\$1,050
	Corvair, Advanced (Basic + Fuel Flow, Manifold Pres, 50-amp Current Sensor, Carb temp, OAT)	\$1,650	\$1,450
Jabiru 3300	Jabiru 3300 Package, Basic- 6 CHT, 6 EGT (Oil T, Oil P included with engine)	\$1,040	\$950
	Jabiru 3300 Advanced (Basic + Fuel Flow and 50-amp Current Sensor)	\$1,435	\$1,300
Lycoming/ Continental	Lycoming/Continental 4-cylinder Basic (4 bayonet CHT, 4 EGT, Oil T, Oil P)	\$1,070	\$1,000
	Lyc/Cont. 4-cylinder Advanced (Basic + Fuel Flow, Fuel P, 0-31 in. Manifold P, 100-amp Current Sensor)	\$1,600	\$1,350
UL Power	UL Power Package, 4 cyl Basic (4 bayonet CHT, 4 EGT, 50-amp Current Sensor, Oil P, Fuel Pressure)	\$1,150	\$1,050
	UL Power Package, 4 cyl Advanced (Basic + pulse Fuel Flow)	\$1,385	\$1,325
	UL Power Package, 6 cyl Basic (6 bayonet CHT, 6 EGT, 50-amp CS, Oil P, Fuel P)	\$1,350	\$1,225
	UL Power Package, 6 cyl Advanced (Basic + pulse Fuel Flow)	\$1,575	\$1,475

Does the thought of a pre-wired, pre-configured GRT instrument panel for your Panther intrigue you? If so, we want to hear about it! Please email Panther #7 co-builder Katie Bosman at katie.bosman@gmail.com for more details.

Learn more about all of our EFIS and EIS systems at the GRT Booth in Exhibit Hangar C, Booth 3068-3069, or online at www.grtavionics.com.

***Order your Sport SX system through Sport Performance Aviation before August 8, 2014 to receive your Show Discount.**
